Task Builders for School Assessment **NEW RESOURCE**

The Task Builders for School Assessment are a resource for teacher development and use with students. The concept of a task builder is for the teacher to adapt and change the material provided to meet:

- SACE Board requirements to fully comply with the Stage 2 subject outline and moderation;
- local school-based needs and student interests.

The emphasis of this Task Builder is to provide essential content, stimulus material, ideas, processes and questions (with solutions) for adaption by the teacher to comply with the subject outline and requirements of moderation. Presented as a designed, editable Word document, it will save the teacher considerable time and provide the basis of a rigorous, SACE subject outline and moderation compliant task.

Task Builders are provided in three selected areas of each Stage 2 Subjects as indicated. All files are in editable Word format.

Trial Examinations

Trial Examinations follow all SACE requirements and contain instructions, marking guidelines and sample answers for ideal preparation for end of year Exams in Stage 2.

- All items delivered by email as editable, designed Word documents.
- Task builders available from Jan. 29, 2019. Trial Examinations from July 5, 2019.
- **Not for use by private tutors.** Unlimited copying in purchasing school permitted.
