

NSW SCIENCE SUBJECTS PAST EXAMINATIONS

Biology - Physics - Chemistry - Investigating Science
2022 & 2023 Year 11 and HSC Trial Examinations

QATs Examinations:

- save time for teachers, are **fully editable** and reflect current NESA requirements and syllabus
- contain comprehensive **NESA aligned marking guidelines** to ensure reliable and explicit feedback for students
- are developed by panels of highly experienced, practising teachers. All assessments undergo an extensive review and evaluation process to ensure **NESA compliance**, before being published.

By submitting this order form you agree to the QATs Terms and Conditions, and that the information that you provide to us will be used in accordance with the Janison Privacy Policy. If you are providing information about others, you confirm that you have their consent to do so.

Note: orders cannot be processed without school purchase order number.

Disclaimer. QATs delivers quality assessments that save educators and schools time and effort while providing assessments which are reliable, accurate and compliant with requirements specified by education authorities in each state/territory. Every effort has been made to prepare QATs in accordance with New South Wales Education Standards Authority (NESA) documents. No guarantee or warranty is made or implied that the tasks mirror in every respect the actual assessment requirements in any or all courses to be examined. QATs does not accept any responsibility for accuracy of the task once modified.
